Sunt oferite granturi mici in valoare de minim 10.000 CHF si maxim 100.000 CHF si granturi mari in valoare de minim 100.001 CHF si maxim 250.000 CHF.

Aceasta a doua runda a Cererii de propuneri de proiecte a demonstrat un mare interes al sectorului neguvernamental si public din Romania si Elvetia. OIE a primit un numar de 79 aplicatii pana la data limita din 26 iunie 2014.

Evaluatori independenti au evaluat propunerile de proiecte care au trecut de etapa de verificare a conformitatii administrative si a eligibilitatii. Procesul de evaluare a avut ca rezultat un numar de 26 proiecte recomandate pentru finantare (4 granturi mici si 22 granturi mari).

Datorita numarului mare de proiecte depuse si calitatii ridicate, s-a propus ca suma alocata initial pentru finantare sa fie suplimentata cu aproximativ 1.8 milioane CHF. Astfel, Comitetul de Selectie format din reprezentanti ai organizatiilor societatii civile, Biroul Contributiei Elvetiene (BCE) si Unitatea Nationala de Coordonare (UNC) a angajat suma de 5.189.216,74 CHF pentru finantarea acestor proiecte.
